

## **FISCAL NOTE**

### **SB 1762 - HB 1795**

April 6, 2001

**SUMMARY OF BILL:** Authorizes the Board of Nursing to enter into grants, agreements or scholarships with non-profit agencies or other state agencies to evaluate the demand, distribution, and availability of nurses in Tennessee.

#### **ESTIMATED FISCAL IMPACT:**

**Increase State Expenditures - Exceeds \$100,000**

**Increase State Revenues - Exceeds \$100,000**

Although the bill is permissive as written, the estimate assumes that any efforts undertaken by the Board of Nursing would increase expenditures exceeding \$100,000. Since the board is required by statute to be self-supporting, it is estimated that revenues will increase by a like amount.
